

MULTISTRAP

Designed and made in New Zealand, the Tru-Design Multistrap is an excellent solution for securing flexible pipe-work around a boat.

Tru-Design Multistraps are moulded from tough Nylon 6 for robust fixing of plumbing. The Multistrap's screw boss allows it to support up to 5kg when screwed to a bulkhead or the hull.

Tru-Design Multistraps eliminate the corrosion problems associated with pipe clamps and other similar fittings.

MODELS

All Multistraps are sold in packs of 10 or 50

Part #	Description
90384	Multistrap x10 White
90386	Multistrap x50 White
90383	Multistrap x10 Black
90385	Multistrap x50 Black
